

Savings on blue light protection

Excessive screen time on computers, tablets and cell phones may affect vision and cause digital eye strain due to the blue light they emit.¹ And since the onset of COVID-19, people are spending an average of 13 hours per day on digital devices.² That's why we're providing savings on blue light blocking screen filters with UnitedHealthcare Vision plans.

Help employees reduce eye strain.

UnitedHealthcare Vision members have access to discounts on blue light blocking screen filters for select smartphones, tablets and laptops from Eyesafe®.

Eyesafe screen filters are designed to:

- Reduce exposure to high-energy blue light
- Help maintain color quality and luminance
- Offer a simple, lower cost option to filter blue light on existing devices
- Be easily applied to your device

Members can access the discount through myuhcvision.com
